## **Job Description: Hair Stylist**

Seeking a creative, personable, and skilled hairstylist to flourish with our team in historic downtown Canton. Must be willing to learn our product lines and follow industry trends, and as an effective communicator, trustworthy for both client consultation and performance. Hairstylist shall nurture clients with services such as treatments and styling, and maintain positive relationships and client satisfaction. Must have responsible care and respect for the safety and sanitation of clients, equipment, and other working staff.

## **The Dry Social Benefits:**

- Build with our clientele while growing your own
- All tools, products, & supplies provided - just bring your talent!
- Small-group studio clusters with quieter work spaces & more intimate settings
- No chair fees!
- No hair-cutting, just treatments & styling services
- Offering a competitive 50% commission on appointments
- Flexible Scheduling options: Part Time or Full Time; Morning & Afternoon shifts available
- Open on Tuesdays-Saturdays, from 8am-7pm, No late nights and closed all day Sundays & Mondays

- No "big corporate" drama: you're professional and you're family
- Opportunity to showcase your work at year-round local events
- Be a part of a well-established and growing community!

### **Duties & Responsibilities:**

- Be punctual to your shift
- Welcome clients to the salon promptly and warmly
- Consult with clients: discuss their requests, styles & preferences, facial features, current hairstyle, and hair type
- Have etiquette and confidentiality with recommendations regarding client sensitivities
- Wash, rinse, and dry clients' hair using appropriate shampoos and conditioners
- Apply selected products for nutrient treatments, color protection creams, and hydrating masks
- Style casual or formal hairstyles; including blowouts, curls, braids, and updos.
- Promote and assist the selection of other salon services and retail products
- Educate clients and advise them of home hair care needs
- Know loyal clients, build rapport, and remember their hairstyle preferences

### **Qualifications:**

Georgia licensing or certification in Cosmetology-related fields

- Excellent listening, communication, and customer service skills
- Ability for flexible scheduling with reliable attendance, includes some nights and weekends

- Able to work independently when there is minimal oversight
- Proven experience as a hairstylist, hairdresser, or similar role (previous work history or portfolio considered).

**\*\*\*Specialties or experience with a wide range of hair types, natural hair styling, or extensions is not required, but preferred**
