## **Job Description: Makeup Specialist**

We are seeking an innovative and confident Makeup Specialist to limelight our team in historic downtown Canton. Should have a passion for makeup artistry, with a strong working knowledge of different skin tones, facial structures, eye shapes, and skin care regimens. Proficient application of detailed technique and contouring, with exceptional communication skills, are essential to align with clients' preferences; whether conservative casual appeal or daring formal ventures. Must have responsible care and respect for the safety and sanitation of clients, equipment, and other working staff.

## **The Dry Social Benefits:**

- Build with our clientele while growing your own
- All tools, products, & supplies provided - just bring your talent!
- Small-group studio clusters, quieter work spaces & more intimate settings
- No chair fees!
- Offering a competitive 50% commission on appointments
- Flexible Scheduling options: Part Time or Full Time; Morning, Afternoon, & Evening shifts available
- Open on Tuesdays-Saturdays, from 8am-7pm, No late nights and closed all day Sundays & Mondays

- No "big corporate" drama: you're professional and you're family
- Opportunity to showcase your work at year-round local events
- Be a part of a well-established and growing community!

### **Duties and Responsibilities:**

- Be punctual and welcoming to your appointments  
Conduct makeup consultations and applications for clients, ensuring personalized and professional service.
- Advising clients on makeup techniques, products, and skincare routines. Consult with clients: discuss their requests, styles & preferences, facial features, concerns, and goals to achieve
- Have etiquette and confidentiality with recommendations regarding client sensitivities
- Collaborate with clients to create customized makeup looks for special occasions such as weddings, parties, and photoshoots.
- Apply selected products per consultation agreement, casual or formal, including desired facial treatments, foundations and contour, shadows & liners, etc.
- Promote and assist the selection of other salon services and retail products
- Educate clients on at-home skin care regimen and products
- Keep up-to-date with the latest makeup trends and new techniques.
- Maintaining cleanliness and hygiene standards of makeup tools and work areas.
- Build and maintain strong client relationships through excellent communication and service.

- Promote and assist the selection of other salon services and retail products
- Educate clients and advise them of home skin care regimen

### **Qualifications:**

- Proven experience as a Makeup Specialist or similar role.
- Proficiency in makeup application techniques for various skin tones and types.
- Strong knowledge of makeup products and brands.
- Excellent interpersonal and communication skills.
- Ability to work flexible hours, including evenings and weekends, based on client needs

**\*\*\*Certification from a recognized makeup school or program not required, but preferred**
